## FELLOWS PROGRAM

Supporting the SCBA Educational Foundation

*Invest in the education of today's broadcasters  
and the broadcasters of tomorrow*

### **What is the purpose of the SCBA Educational Foundation?**

The South Carolina Broadcasters Association (SCBA) created the SCBA Educational Foundation in 1982 to provide funding for internal and external education programs including grants, scholarships and endowments for colleges, technical colleges and universities in the state that offer broadcast training. Since that time, the Foundation has funded hundreds of thousands of dollars for such education programs through annual grants it receives from SCBA.

### **What is the SCBA Fellows Program?**

To insure the continued growth of our Educational Foundation and to further broaden the educational programs it can support, SCBA has created a Fellows Program that allows individuals to make personal contributions to the Foundation. Fellows' donations are structured as follows and may be a one-time contribution paid in full or may be spread in self-directed payments over a designated number of months or years:

Bronze Fellow	\$ 1,000
Silver Fellow	\$ 5,000
Gold Fellow	\$10,000

Once each of the above levels is reached, the donor receives a lapel pin and medallion in the corresponding medal along with a Fellows certificate in a preservation folder. All Fellows are individually recognized at both the summer and winter conventions.

### **How can I become a SCBA Fellow?**

Simply complete the following donor form indicating your chosen contribution level and preferred payment schedule. SEND NO MONEY NOW. Upon receipt of your completed form, the SCBA office will forward a confirmation letter along with an invoice for the appropriate amount. Donations are tax-deductible.

*For more information, contact the SCBA office  
by phone at (803) 732-1186 or by email at [scba@scba.net](mailto:scba@scba.net).*
