

## **Media ID Cards Available**

As a service to our members, SCBA produces media identification cards for broadcast personnel. These official ID cards were developed in cooperation with SLED and are recognized by the state's law enforcement agencies. *All stations are encouraged to use these cards for their essential personnel.*

Cards are available for station managers, news staff and any other key personnel at your station, especially those who need to be mobilized during an emergency. **As a member service, SCBA provides two identification cards to each member station at no charge.** Additional cards may be purchased for \$3.00 each. (Each ID card is laminated and attached to a pocket clip.)

To request these media passes, please complete the enclosed form with the required information and return it to the indicated address with a photo of each individual, color or black and white, sized to fit card. The passport-size photo should not exceed 1" wide x 1 ¼" high. (We cannot accept Polaroid since the laminating process distorts these photos.) If more than two cards are ordered, attach a check payable to SCBA for the amount due.

SCBA is proud to offer this membership service. Please call the SCBA office at (803) 732-1186 if you have any questions.
